

SUCCESS SKILLS *keeping a monthly budget*

Learning how to manage your money is an important step in becoming financially independent. It's never too early to start keeping a budget. Use this budget worksheet to determine your income and expenses. If you need to cut back on spending, little bits add up.

→ When dining out with friends, don't order a soda, drink water instead.

→ Skip costly coffeehouses and brew your own at home.

→ Save money on gas and parking by walking to class or carpooling with pals.

→ Many communities offer paying recycling programs, so cash in those cans.

→ Consider trimming "extras" that add up, such as a cell phone, pager or cable TV.
