

A book log is a great place to keep track of your adventures in reading. It's a way to see your reading accomplishments over the year, and a handy reminder of what books and authors you enjoyed most.

I • Us • All

We are each like a drop of water splashing into a pond. Our actions create ripples of change. A helping hand or a smile from one person can ripple through their **relationships** to the **relationships** of others, and so on; until the **world** has changed. The actions of the individual may seem insignificant, but can alter the **world**.

I: Every positive action begins with **Self (I)**, when we discover our ability to effect change and take the initiative to act.

Us: Our impact grows through our **Relationships (Us)**, where we find encouragement as well as challenges.

All: The actions we take ultimately affect the **World (All)** around us, where we exercise our greatest power and make a lasting difference.
