NEVER TAKE

images of yourself that you wouldn't want everyone—your classmates, your teachers, your family, or your employer—to see.

BEFORE HITTING SEND IF YOU FORWARD

Remember that you can't control where this image may travel. When you send a photo or girlfriend could easily end up with their friends, and their friends' friends, and so on...
...a sexual picture of someone without their consent, you are violating their trust and exposing them to potential risks. It's not up to you to decide who should see their body, so don't forward the image to anyone.

IF ANYONE PRESSURES

you to send a sexual picture, don't give in and talk to an adult you trust. Remember that anyone who tries to get you to do something you are uncomfortable with is probably not trustworthy.
