

DETERMINATION

Learn from Lincoln

Everyone's heard of Abraham Lincoln, right? Well, if Lincoln didn't have determination, his name would mean nothing to you. Consider this:

Lincoln was defeated when he ran for the Illinois House of Representatives in 1832. But he was victorious in the House race in 1834, and was then re-elected for three consecutive terms.

He was defeated when he ran for the House of Representatives in 1843, then ran successfully for a House seat in 1846.

He was defeated for the Senate in 1855.

He was defeated for Vice President in 1856.

He was defeated for the Senate again in 1858.

Finally, in 1860, Lincoln was elected President of the United States.
