

How well do you really know alcohol?

True or false?

1. ___ One 12-ounce beer or a 5-ounce glass of wine has as much alcohol as a 1.5-ounce shot of whiskey.
2. ___ Wine coolers are just as potent as beer.
3. ___ One glass of clear malt can result in a teenager blowing a .02 on a Breathalyzer test, and in some states, that's enough for a underage drinker to lose his or her license and be fined. Not to mention arrested.
4. ___ Between 1/4 and 1/2 of all drownings are alcohol-related.
5. ___ Children with alcoholic family members are more likely to become alcoholics themselves.
6. ___ Alcohol isn't a stimulant; it's a depressant.
7. ___ Even great-looking intelligent guys and gals lose their appeal when they're so tipsy that they're slurring their words and stumbling around.
8. ___ Alcohol is a drug.
9. ___ Alcohol is a major contributor to violent deaths of all types.
10. ___ About 1/2 of fatally injured drinking-drivers are less than 30 years old.

(Hint: All of these statements are true.)
